WHAT ARE ENERGIZING BRAIN BREAKS? Energizing Brain Breaks are quick 1-2 minute activities for your classroom. They take virtually no preparation and no extra materials to perform. Students of all ages love them. Why do they love them? Because they are fun and make you laugh. They also challenge your brain. Energizing Brain Breaks help you to cross the mid-line of your body which helps both sides of your brain engage. It is suggested to use an Energizing Brain Break every 30 minutes with your class. They are terrific during exams and standardized tests. Just give an Energizing Brain Break between sections of tests or even right in the middle of the test.
