# **# 21      Teaching with Smartboard**

## **Today's Topic**

Back to Basics Day 1

Using SMARTboard Version 10

Let's get started using SMARTboard

# Let's get Smartboard Started

Find the correct order for the following steps  
different colors are different steps

---

Complete the sequence to get your data projector to show on the SMARTboard.

Use the Smartboard.

Orient the Smartboard (both buttons on Smartboard)

Connect Smartboard USB to computer

Open Smartboard software.

Connect the data projector to computer.

Turn on data projector and let it warm up.

A SMARTBoard notebook Document is almost the same as a Microsoft Word Document.

## Things you can do in Word

### SMARTBoard Notebook?

Change Fonts

Change Colors

Save, Save as

Cut, Paste, Copy

Insert Pictures

Ordering

Tables

Editing

# A Smartboard Document

- Can save any chalkboard work you do in class
- Can be delivered as a PDF to anyone via email
- Can be used as a word document; except it's interactive
- Can scan in anything within 30 seconds.

# A Smartboard Document

- can be used to goto any website and use that website interactively.
- can be used to go to any other computer program you have.
- can print capture any digital document you have and use it interactively.

## Fun Features of the Smartboard

Fun fan

straight lines

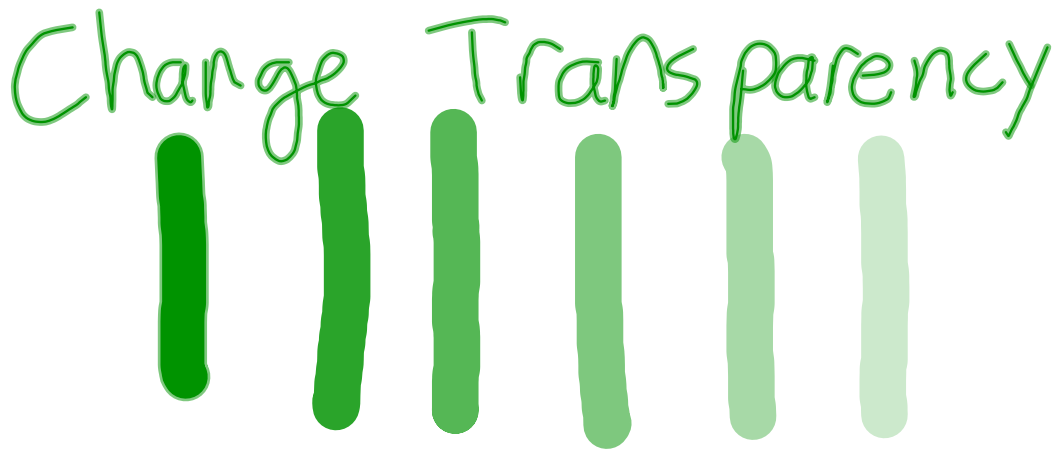

eraser

word recognition

shapes

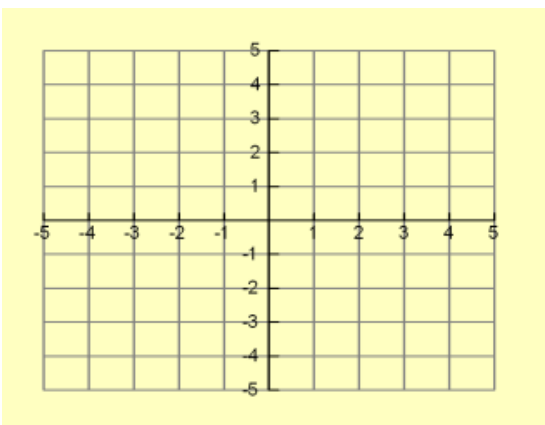

## Fun Features of the Smartboard

## Gallery

Get gallery item "after the test" directions

# Stevie Wonder at the Taste of Chicago

## Fun Features of the Smartboard

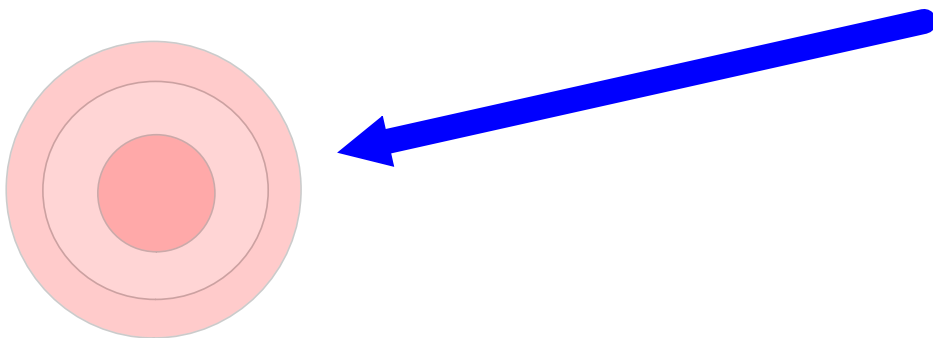

Change font

Change font size

Bullets

Color

Select/Group

## Pause and Play

Try to do a few of these things on your own. We will go through them in the next Podcast.

1. Group two or more objects
2. Clone a page
3. Clone an item
4. Change the background color
5. Change font
6. Draw a line and then change the thickness, the ends, the style, and the transparency.
7. Save a document
8. Insert a new page
9. Use the Save As feature
10. Get a timer gallery item and use it

Spread the word  
about  for  
people who are  
just starting with  
SMARTBoard.

We would love to hear from you.  
We have received a few emails  
regarding our podcast. Thank  
you.
