24 Teaching with Smartboard

Today's Topic

Back to Basics Day 4

Using SMARTboard Version 10

The Page Sorter, the item drop down menu,
and the insert menu.

Pause and Play

Did you accomplish these?

1. Make a direction page and then save it to the gallery.
2. Rearrange the slides in the slide bar by dragging them to a new location.
3. Open two notebook documents. Click and drag one slide from one document to the other document.
4. Change your view to full screen.
5. Screen Capture an Internet item
6. Use the spell checker.
7. Use the disappearing pen.
8. Export a notebook document to make it a PDF.
9. Use the spotlight and magnification tools on a website of your choice.
10. Make a link to another slide in the document.
11. Rename a slide or a gallery item.

Where does a snowman keep his money ?

Spread the word
about  for
people who are
just starting with
SMARTBoard.

We would love to hear from you.
We have received a few emails
regarding our podcast. Thank
you.

John Minelli

I wanted to tell you that I am enjoying your Smart board podcasts a lot and want to thank you for doing them.
